Looking to challenge yourself?

Financial markets globally are in a state of heightened uncertainty and that creates opportunities for those who thrive on the challenge of dealing with complex matters. McGrathNicol is a market leader in assisting high profile clients to work through difficult issues, whether supporting strategic merger and acquisition deals, leading multi-faceted corporate restructures, or conducting forensic investigations into highly sensitive transactions. McGrathNicol offers a range of stimulating and unique career opportunities nationally across our 4 service lines for finance professionals of 4 or more years of experience.

Give us a call to find out what sort of career challenges we can offer you.

Contact Lauren Malkior from the National HR team at McGrathNicol (02) 9248 9936 or visit careers at mcgrathnicol.com.
