

**Media Statement****13 November 2009****Leading Solutions business transition**

The Administrators of Leading Solutions, Johan Vorster and Matthew Caddy of independent restructuring and corporate advisory firm McGrathNicol, today announced the sale of the Leading Solutions business to **ComputerCorp / Synergy Plus (ASX: CZP)** effective from 5pm today.

Leading Solutions offers information technology solutions to the corporate market throughout Australia.

Synergy Plus is a leading Australian IT systems integrator specialising in the delivery of technology solutions to improve the manageability, security and control of its clients' networks.

"This transaction provides the best outcome for stakeholders and ensures the continuation of a business with a strong customer focus. It brings certainty and stability for customers. We will work with Synergy Plus to ensure a swift transition." said Johan Vorster, Partner at McGrathNicol.
