

PREMIUM HORTICULTURAL PROPERTIES

Expressions of interest are sought by the Receivers and Managers of the Rewards Group and the Ark Fund for the purchase of the freehold horticultural properties either individually or collectively.

The horticultural properties include:

- + Dandaragan (WA) – 84 hectares of stone fruit, 90 hectares of mangoes and 11 hectares of grapes (700ha freehold land);
- + Kununurra (WA) – 401 hectares of mangoes and 60 hectares of grapefruit (478ha freehold land);
- + Packing shed - Kununurra (WA) with cool rooms and a fully automated sorting and packing line;
- + Mareeba (QLD) – 102 hectares of mangoes and 3 hectares of lime trees (316ha freehold land);
- + Childers (QLD) – 88 hectares of stone fruit (191ha freehold land); and
- + Kumbia (QLD) – 35 hectares of stone fruit (301ha freehold land).

To register interest in the horticultural properties, please contact Philippa Bundell of McGrathNicol:
