**Update to Creditors**

I refer to my previous update to creditors dated 5 May 2021.

Earlier this month, the Australian Securities and Investments Commission (**ASIC**) approved my Assetless Administration Fund funding request. Whilst the terms of the ASIC grant are confidential, the funds will enable the Liquidator to undertake further investigations into the pre-appointment affairs of PWK and the conduct of its director and other relevant persons.

I will now proceed to the next stage of my investigations. The duration to undertake these further investigations is unknown and may extend into 2023. However, I will provide creditors with an update as to the status of these further investigations in late 2022.

**Further information and queries**
