We enclose our DIRRI. Our independent status and who appointed us is outlined in our DIRRI.

Question	Answer
What is a creditors' voluntary liquidation?	A creditors' voluntary liquidation, or CVL, is a liquidation initiated by a company where it cannot pay all of its creditors in full. This means that the company is insolvent.
What are your rights as a creditor?	<p>We enclose a copy of the information sheet "Creditor Rights in Liquidations" issued by the Australian Restructuring Insolvency & Turnaround Association (ARITA). It includes information on your rights to:</p> <ul style="list-style-type: none">▪ make reasonable requests for a meeting;▪ make reasonable requests for information;▪ give directions to the Liquidators;▪ appoint a reviewing liquidator; and▪ replace us as Liquidators. <p>In addition, creditors have the right to request a meeting in the first 20 business days of a creditors' voluntary liquidation. If we receive a request for a meeting in writing from at least 5% of known creditors, unrelated to Evermaze, we are required to hold a meeting, as long as the request is reasonable. Details of the considerations that are relevant to determine whether a request is reasonable are set out in the information sheet "Creditor Rights in Liquidations".</p>

Question	Answer
<p>What happens to your debt?</p>	<p>All creditors of Evermaze are now creditors in the liquidation and will now be dealt with in the liquidation.</p> <p>The amount of money you receive depends on the amount we recover, including from locating, securing and selling Evermaze's assets. After paying our fees, creditors share in any remaining money proportionally. If funds are available, the amount paid is called a dividend.</p> <p>A dividend can vary between creditors because the law entitles different types of creditors to be paid before other types of creditors. In addition, a dividend will only be paid where there are sufficient recoveries in the liquidation, which will not always be the case.</p> <p>If you have leased property to Evermaze, have a retention of title claim or have a registered personal property securities interest in relation to Evermaze, please contact Nic Hall on (08) 6363 7626 as soon as possible.</p> <p>We are not trading the business of Evermaze.</p>
<p>Do you have to do anything?</p>	<p>You should read this information. You can choose to participate in the liquidation process, but you don't have to.</p> <p>If we need you to take action, we will write and ask you. For example, we may ask you to provide proof of your debt before we can pay you a dividend.</p> <p>If you do not think you are a creditor, please let us know.</p>
<p>Summary of affairs</p>	<p>We have requested a Report on Company Activities and Property (ROCAP) to be submitted by the director by 4 May 2021. To date the ROCAP remains outstanding, though we anticipate receiving it within the next 10 business days. Information presented in the ROCAP will be included in a report we will provide to you within three months of our appointment.</p>
<p>Listing of creditors</p>	<p>As required by section 497(1) of the <i>Corporations Act</i>, we enclose a list of creditors, including their addresses and the estimated amounts of their claims that are shown in the records of Evermaze. Any creditors related to Evermaze are identified. If you do not agree with the estimated amount of your claim, please contact us to obtain a Proof of Debt Form (Form 535) to provide details and evidence of your claim.</p>
<p>What has happened in the liquidation so far?</p>	<p>We are in the process of securing all books and records of Evermaze, and any other information to assist us in the discharge of our duties in liquidation.</p> <p>To date we have:</p> <ul style="list-style-type: none"> ▪ contacted all statutory and government bodies to notify them of our appointment and to request any information on debts owed by Evermaze; ▪ notified all known former employees of our appointment and will write to each separately in due course regarding any pre-appointment employee entitlements which they may be owed; and ▪ undertaken initial high-level investigations and searches into potential assets of the company.

Question	Answer
What is the cost of the liquidation?	<p>We get paid out of Evermaze's money, including realisations from assets or from money paid to us by others, such as Evermaze's directors. If there is not enough money in the liquidation, we do not get paid in full.</p> <p>We enclose our Initial Remuneration Notice, which provides you with information about how we propose to be paid for undertaking the liquidation.</p> <p>We may write and ask that you approve our remuneration for the work that we do in completing the liquidation. If we do, we will provide you with detailed information about what tasks we have undertaken and the costs of those tasks.</p>
What further communication will you receive?	<p>We will write to you within three months of our appointment advising whether a dividend is likely and update you on the progress of our investigations.</p> <p>We may also send you updates on the progress of the liquidation, or proposals to approve certain matters in the liquidation, at any time.</p> <p>If we consider it to be in the interests of creditors, we will hold a meeting to communicate with creditors. Further, if we receive a request for a meeting that complies with the guidelines set out in the creditor rights information sheet, we will also hold a meeting of creditors.</p>
What happens next?	<p>We will proceed with the liquidation, which will include:</p> <ul style="list-style-type: none">▪ recovering and selling any available property;▪ investigating Evermaze's affairs;▪ reporting to the corporate regulator, ASIC; and▪ distributing any available funds to creditors in accordance with their priority.
