1 Executive Summary

We are seeking creditor approval for the following remuneration in relation to Aramia Holdings Pty Ltd (In Liquidation) (**Aramia Holdings** or **the Company**):

Remuneration Sought	
Remuneration	Amount \$ (ex GST)
Retrospective Voluntary Administration	2,554
Retrospective Liquidation	6,257
Future Liquidation	5,050
Total	13,861

Details of remuneration and disbursements can be found in sections 3 and 4 of this report.

Creditors will be asked to approve our remuneration via a proposal without a meeting pursuant to section 75-40 of the Insolvency Practice Schedule (IPS) in order to reduce costs.

We estimate that the total cost of the voluntary administration and liquidation (**the Appointment**) will be \$13,861. This has decreased from my previous estimate on the following basis:

- following our initial inquiries into the affairs of the company we have determined that there are limited assets available to be realised for the benefit of creditors; and
- that the level of work required to conduct the Appointment, complete our investigations and attend to our statutory duties is lower than the original estimate.

This is our final remuneration approval request for the Company assuming there will not be a dividend to creditors.

For the avoidance of doubt this report covers the period when we were appointed Voluntary Administrators of the Company on 21 July 2021 and our subsequent appointment as Liquidators on 28 July 2021. Remuneration for the Former Voluntary Administrators' of the Company, Domenico Alessandro Calabretta, Grahame Robert Ward and Thyge Trafford-Jones of Mackay Goodwin is detailed in the remuneration approval reports attached separately to the report to creditors dated 28 October 2021.

Please note that any defined terms in this report have the same meaning as those contained in the main body of the report to creditors dated 28 October 2021.

2 Declaration

We, Jason Preston and Jason Ireland of McGrathNicol have undertaken a proper assessment of this remuneration and disbursements claim in accordance with the law and applicable professional standards. We are satisfied that the remuneration and disbursements claimed is in respect of work properly performed in the conduct of these matters.

Noting that the Company is part of the Appointment Group (as set out in the Statutory Report dated 28 October 2021) we have reviewed the work in progress (WIP) report for the Appointment to ensure that remuneration is only being claimed for necessary and proper work performed.

On that basis we have reallocated time for tasks relating to creditor reporting and PPSR related correspondence of the Forum Group and the broader Appointment Group across all entities subject to our appointment.

3 Remuneration sought

The remuneration we are asking creditors to approve is as follows:

Remuneration Sought				
Remuneration	Period	Amount \$ (ex GST)	Rates to apply	When it will be drawn
Work we have already done - Voluntary Administration	21 July to 27 July 2021	2,554	Provided in my initial Remuneration Notice sent to creditors on 24 August.	Immediately, when funds are available.
Work we have already done - Liquidation	28 July to 19 September 2021	6,257	Provided in my initial Remuneration Notice sent to creditors on 24 August.	Immediately, when funds are available.
Future work - Liquidation	20 September 2021 onwards	5,050	Refer to Schedule D.	Monthly, when funds are available.
Total		13,861		

Details of the work already done and future work that we intend to do are included at Schedule A.

Schedule B includes a breakdown of time spent by the appointees and staff members on each major task for work we have already done and future work that we intend to do.

We note that the future work resolution is based on our current estimate of work required. In the event that the Liquidators' actual remuneration in the period is below the amount approved, the Liquidators will only draw the actual amount incurred.

We note that in calculating our future remuneration estimate we have assumed there will not be a dividend to creditors of the Company. If circumstances change and assets become available to realise, enabling a dividend to be paid, our future remuneration estimate would increase and we would make a further approval request of creditors setting out the reasons and applicable time costs for the increase.

Actual resolutions to be put to the creditors are detailed below for your information. These resolutions also appear in the proposal form provided to you as attached to the report to creditors dated 28 October 2021.

Resolution 1: Retrospective remuneration during the voluntary administration of Aramia Holdings for the period 21 July 2021 to 27 July 2021:

"That the remuneration of the voluntary administrators for the period 21 July 2021 to 27 July 2021, calculated at hourly rates as detailed in the Initial Remuneration Notice dated 24 August 2021, is determined in the sum of \$2,554, exclusive of GST."

Resolution 2: Retrospective remuneration during the liquidation of Aramia Holdings for the period 28 July 2021 to 19 September 2021:

"That the remuneration of the liquidators for the period 28 July 2021 to 19 September 2021, calculated at hourly rates as detailed in the Initial Remuneration Notice dated 24 August 2021, is determined in the sum of \$6,257, exclusive of GST."

Resolution 3: Future remuneration for the liquidation of Aramia Holdings for the period 20 September 2021 to completion:

"That the future remuneration of the liquidators from 20 September 2021 to completion, is determined at a sum equal to the cost of time spent by the liquidators and their partners and staff, calculated at the hourly rates as detailed in the Initial Remuneration Notice dated 24 August 2021, up to a capped amount of \$5,050, exclusive of GST."

4 Disbursements sought

Pursuant to section 7.7.1 of the ARITA Practice Statement 7, we are not required to seek creditor approval for costs paid to third parties, or where we are recovering a cost incurred on behalf of the administration, but we must provide details to creditors. Details of the categories and these amounts are included in Schedule C.

5 Likely impact on dividends

It is both reasonable and appropriate for a professional service provider to be remunerated for their services. An external administrator is entitled to be remunerated for necessary work that is properly performed. That work generates the funds that may be recovered for the benefit of creditors and other stakeholders.

The impact of the approval of the Appointment remuneration is that the remuneration will then be paid in accordance with the terms of the Funding Facility referred to in Section 6 below. The remuneration and/or repayment of the Funding Facility will be paid from those funds that are generated prior to the payment of most creditors in the Liquidation.

It is noted that funds would only be available to any stakeholder as a consequence of the work necessarily undertaken by the Voluntary Administrators and Liquidators.

If a dividend or distribution is to be paid to stakeholders, there is also necessary work that must be undertaken by the Liquidators to properly adjudicate on claims and distribute any available funds. As noted above our future remuneration estimate/approval request does not include any time for such work.

6 Funding received for remuneration and disbursements

On 7 September 2021 the Liquidators entered into a Funding Agreement with Westpac following receipt of the Court's approval. The Funding Agreement is to provide the Liquidators a loan for the purposes of funding the Voluntary Administrators' and Liquidators' remuneration and expenses incurred in July, August and September 2021 (or other such longer period as agreed in writing) up to a value of \$4.5 million (ex GST) (**Funding Facility**).

The funding was put in place to allow us to undertake our investigations of the Forum Group and associated entities and the identification of possible future sources of asset recoveries. Apart from priority employee claims, the effect of this Funding Agreement is that all realisations across any of the entities subject to our appointment will first be applied in repayment of the Facility, and amounts will only become available for unsecured creditors to the extent there is a surplus once the Facility has been repaid in full.

The Funding Facility terms and conditions are detailed in section 2.5 of the report to creditors dated 28 October 2021.

7 Summary of receipts and payments

There have been no receipts or payments in the Appointment to date.
