**Circular to Suppliers**

Jonathan Henry, Robert Smith and I were appointed Administrators of Data Republic on 6 May 2021.

**Immediate objectives**

As Administrators, we have assumed control of Data Republic's affairs and have entered into possession of its assets. It is our intention to continue trading Data Republic's business while we undertake an urgent assessment to determine the best course of action to preserve its business.

**Continuing to trade**

The Administrators would appreciate you making your services available to Data Republic on your usual trading terms when requested by me or my authorised representatives. All supplies made against signed purchase orders dated 6 May 2021 and beyond will be paid on normal terms.

Please note that the Administrators do not personally adopt any contracts or subscriptions with Data Republic.

**Procedures for ongoing supply**

Please adopt the following procedure for Data Republic's account:

- close your existing account as at the date of our appointment, being 6 May 2021; and
- open a new account in the name of "Data Republic Pty Ltd (Administrators Appointed)".

All purchase orders must be signed by us, as Administrators, or one of the authorised personnel whose specimen signatures appear on the schedule enclosed with this circular. Please do not deliver goods or services without a signed purchase order as this may affect payment for the goods or services by the Administrators.

Payments made by the Administrators must be applied against debts incurred by the Administrators and cannot be applied against any pre-appointment debt owed to you by Data Republic.

Additionally, if you are currently a customer of Data Republic as well as a creditor, any goods or services supplied to you by Data Republic following our appointment must be paid for in full in accordance with Data Republic's normal trading terms. Any goods or services provided by Data Republic are provided in accordance with the above condition.

Please note:

- If there are any outstanding or unfulfilled orders placed by Data Republic prior to our appointment, including those under which there are goods in transit, please contact Stuart Ball on +61 497 787 738 as a matter of urgency to ascertain whether the goods or services are still required by the Administrators. These orders should not be completed unless confirmed in writing in accordance with the above authorisation procedure.
- The Administrators do not personally adopt any contract that exists, or may have existed, between you and Data Republic at the date of appointment of the Administrators. Payment for any goods or services by the Administrators is not an adoption of a contract or liability.
- Any further credit properly incurred for goods and services supplied on the new account will be a liability of the Administrators.
- Under taxation legislation, we are obliged to withhold 46.5% from payments to suppliers who do not quote a current Australian Business Number (ABN). Please ensure that a current ABN is quoted for each supply made by you.

- Input tax credits for payments made to registered suppliers cannot be claimed until a valid tax invoice has been received. Accordingly, suppliers must provide a valid tax invoice for GST purposes before payment will be made.

### **Pre-appointment debts**

## Insolvency information for directors, employees, creditors and shareholders

This information sheet (INFO 39) lists ASIC's information sheets for directors, employees, creditors and shareholders affected by a company's insolvency.

We have produced these with endorsement from the Australian Restructuring Insolvency & Turnaround Association (ARITA).

The information sheets give a basic understanding of the three most common company insolvency procedures – liquidation, voluntary administration and receivership – as well as the independence requirements for external administrators and approving external administrator remuneration. There is also a glossary of commonly used insolvency terms.
