Circular to Creditors

I refer to the Circular to Creditors dated 17 July 2019 enclosing notice of my intention to declare a final dividend on or before 16 September 2019.

As part of the dividend process, I received an unforeseen claim (that was not recorded in the financial records of Samgris) for a high value for which I:

- require further detailed information in support of this additional claim; and
- likely need an extended period of time to allow me to adjudicate on the claim.

Accordingly, please be advised that I consider that there may be a significant delay until the declaration and payment of the final dividend in the liquidation.

I will advise creditors further once I am in a position to proceed with finalising the dividend process. If you have any queries, please contact Georgia Wilson on (07) 3333 9818 or gwilson@mcgrathnicol.com.
