Media Protocols for the Information Sessions

- To ensure their privacy is respected, only registered BSL debenture holders will be permitted access to the Information Sessions in Ballarat, Shepparton and Kyabram. This will also ensure available seating is reserved for debenture holders
- In recognition of the significant media interest in the BSL receivership, TV cameras and photographers will be permitted to enter the Information Sessions at each location for approximately 10 minutes while the Receiver makes introductory remarks to debenture holders. The Receiver will notify cameramen and photographers once this introductory period has finished. Cameramen and photographers will need to register for the event by emailing ahayes@kreabgavinanderson.com
- All media comment from McGrathNicol on the day will be provided by Receiver Tony McGrath at the 12:15pm media briefing to which all media will be invited to participate.
