### Qualifications & Memberships

- Member, Chartered Accountants Australia and New Zealand
- Bachelor of Commerce (Double Major in Accounting and Economics)
- LEAN Fundamentals

### Board Roles

- Internal Audit
- Second Line of Defence
- Governance and frameworks

Imran has over 16 years of experience working with numerous Government Departments and Agencies. Imran leads teams across complex issues by providing clients with internal audit services, IT reviews, performance reviews, financial analysis, compliance matters, and by setting up second line defence functions.

Imran has provided external and internal audit in both the public and private sector. Imran has strong communication and relationship building skills, and a strong focus on delivering quality service.

Imran is responsible for leading teams to deliver a range of advisory services and has developed a sound understanding of better practice with respect to governance, risk and key control frameworks. Imran works in partnership with his clients and values open communication and collaboration, enabling him to deliver high quality outcomes, and to build strong and collaborative relationships.

### Engagement Experience

#### Department of Finance

Account lead for internal audit services for the Department for a number of years. The engagements undertaken ranged from compliance, performance, financial analysis and IT reviews. In addition, Imran was one of the first assurance specialist in Canberra to lead the ASAE3402 concept through Finance's shared services hub – Service Delivery Office. Imran took this methodology to other shared services hubs across Canberra.

#### Australian Bureau of Statistics

Account lead for internal audit services for the Bureau; responsible for the delivery of the Internal Audit Annual Plan which included compliance, performance, and security reviews such as PSPF.

#### Department of Education, Skills and Employment

Account lead for the Department and undertook a wide range of internal audits. Imran developed the Assurance Framework, Assurance Strategy and Assurance 'heatmap' for the Department. Additionally, during the pandemic Imran undertook 'live assurance' activities across several measures that were rolled out by the Department. These included the jobactive program, Supporting Apprentices and Trainees Wage Subsidy Claim program, and School Hygiene Assistance Fund for Non-government schools' program.

#### Department of Veterans' Affairs

Account lead for internal audit services for the Department. Imran was responsible for developing and implementing the Internal Audit Annual Plan. In addition, Imran also assisted the Department through a number of Management Initiated Reviews.
