Plaman Resources Limited (In Receivership and In Liquidation) (Company) (company number 4960779)

Liquidators' report (pursuant to s255 of the Companies Act 1993) For the period 13 June 2019 to 13 December 2019

17 January 2020

1. Appointment

Conor McElhinney and Andrew Grenfell were appointed jointly and severally as Liquidators of the Company on 13 June 2019 by special resolution of its shareholders.

The appointment of liquidators followed the secured creditor appointing receivers and managers of the Company (**the Receivers**). The Receivers control the assets of the Company.

As Accredited Insolvency Practitioners, the Liquidators are bound by the Restructuring Insolvency and Turnaround Association of New Zealand Inc's (**RITANZ**) Code of Professional Conduct, a copy of which can be located on RITANZ's website (www.ritanz.org.nz).

2. Disclaimer

The purpose of this report is to report to the creditors and shareholders in accordance with Section 255 of the Companies Act 1993 (**Companies Act**).

This report has been prepared based on the information known to the Liquidators as at the date of this report. We reserve the right (but will be under no obligation) to review this report and, if we consider it necessary, to revise the report in the light of any information existing at the date of this report that becomes known to us after that date. We have not independently verified the accuracy of information provided to us, nor have we conducted an audit in respect of the Company. Shareholders:	Iris Corporation Berhad and Burleigh Nominees Limited

4. Report on conduct of the liquidation

The Liquidators have attended to the following matters during the course of the liquidation:

- a) Engaged with the Receivers, the Ministry of Business, Innovation & Employment and Dunedin City Council regarding the mining permits held by the Company.
- b) Called for, determined and admitted creditors' claims, including conducting searches of the Personal Property Securities Register and considering secured claims and responded to unsecured creditor queries. It is expected that preferential creditors' claims (if any) will be dealt with by the Receivers.
- c) Prepared and filed the first report to creditors and contacted known creditors.
- d) Prepared and filed GST returns and liaised with Inland Revenue.
- e) Disclaimed leases.
- f) Considered of the prospects of recoveries for creditors from voidable transactions (if any) and breaches of Directors duties (if any). Our initial assessment is that there are no potential recoveries from these avenues. However, we note that the Liquidators do not have funding available to conduct detailed investigations in relation to these matters.

Should any creditors have any information on any matter that they feel warrants investigation, please advise the Liquidators in writing.

A schedule of the receipts and payments for the period 13 June 2019 to 13 December 2019 is set out at Appendix 1.

5. Proposals for completing the liquidation

The Liquidators expect to be required to assist in dealing with the mining permits going forward, as these permits vest in the Liquidators personally in the event of insolvency.

The liquidation cannot be finalised until the receivership has concluded. The Liquidators expect that the liquidation conduct will therefore involve limited six-monthly reporting until the Receivers have realised and distributed the Company's assets.

6. Liquidators' Declaration of Independence, Relevant Relationships and Indemnities (Declaration)

The Liquidators provided a Declaration in the first report dated 19 June 2019 previously provided to creditors. There have been no changes since that report.

7. Liquidators' remuneration

The Liquidators' remuneration is charged on an hourly basis at their standard hourly rates. These rates, the qualifications and experience generally of staff at each level, and how we charge disbursements, was set out in our first report dated 19 June 2019. There have been no changes since the last report.

The Liquidators' remuneration received for the period 13 June to 13 December 2019 was \$20,792.00 plus GST. A breakdown of the remuneration charged is set out in Appendix 2.

8. Estimated date of completion of liquidation

It is not practicable to estimate the date of the completion of the liquidation at this stage or estimate when the liquidation will end, as this is dependent on the receivership.

9. Further information

Should you have any information that you believe would lead to realisations for the benefit of creditors, please set it out in writing, attaching copies of all documentary evidence, and send it to the Liquidators. Please note that the Liquidators can only act on written information as telephone, or other, conversations will be regarded as hearsay by the Court.

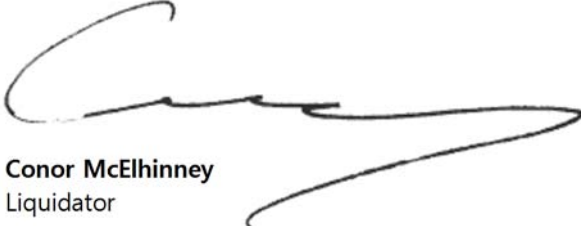

10. Prospect of a dividend

As set out in the first report to creditors, currently we do not expect there to be any surplus funds to distribute to unsecured creditors. Any distribution to unsecured creditors or shareholders will be dependent on the success of any voidable transactions or legal actions commenced by the Liquidators, of which none have been identified at this time.

11. Contact details

The Liquidators can be contacted at McGrathNicol, Level 17 AIG Building, 41 Shortland Street, Auckland (PO Box 106-733, Auckland 1143). Telephone enquiries should be directed to Priscilla Cooper, direct dial (09) 926 5107.
