

Supplementary Information Session for Banksia Debenture Holders

23 November 2012

Receivers and Managers of Banksia Securities Limited (“BSL”), McGrathNicol, today announced it would hold an additional information session for BSL debenture holders on Friday 14 December in the town of Kyabram.

Receiver Tony McGrath said Kyabram, as the home of Banksia, was always under consideration as a location for the information sessions and a strong response from Kyabram-based debenture holders for a meeting in their town confirmed this view.

McGrathNicol will notify debenture holders of the time and location of the Kyabram information session shortly.

The information sessions will also be available for viewing on 15 December via a webcast on the McGrathNicol (www.mcgrathnicol.com) and Banksia websites (www.banksiagroup.com.au).
