4. Statement of affairs

We attach a Summary Balance Sheet as at 30 November 2018 being the last date accounts were prepared to, prior to the appointment of Administrators. This balance sheet has been prepared by the Company and provided by the Directors of the Company to the Administrators.

Transactions occurring during the administration, including the sale of substantially all of the Company's assets, will be reported in the Administrators' accounts. These accounts will be filed by the Administrators with the Register of Companies not later than 4 June 2019.

5. List of creditors

A list of all known creditors has been compiled by the Liquidators based on the information available to us. We attach a copy to this report.

6. Proposals for conducting the liquidation

The Liquidators expect to attend to the following matters during the course of the liquidation:

- Reviewing, determining and admitting creditors' claims.
- Further considering the date that the Company became insolvent.
- Considering the prospects for recoveries for creditors from various sources, including voidable transactions and potential legal actions (if any). Should creditors have any information on any matter that they feel warrants investigation, please advise the liquidators in writing.
- Paying any proceeds to creditors in the statutory order as prescribed by the Companies Act 1933.

7. Estimated date of completion of liquidation

It is not practicable to estimate the date of the completion of the liquidation at this stage.

8. Liquidation committee

In accordance with Section 314 of the Companies Act 1993, a creditor or shareholder may request the Liquidators call a meeting of creditors or shareholders at any time in the course of the liquidation to vote on a proposal that a Liquidation Committee be appointed to act with the Liquidators. This request must be in writing.

The Liquidators do not consider a committee to be necessary in relation to this liquidation at this time. We will continue to report to creditors on the conduct of the liquidation as appropriate.

9. Creditor claims

Personal Property Securities Act / Reservation of Title

The Administrators resolved a number of creditor security claims during the administration. Should any creditor believe that they have registered a Purchase Money Security Interest ("PMSI") on the Personal Property Securities Register ("PPSR") over any goods, or proceeds from realisation of goods, that has not already been dealt with, they should contact this office immediately.

If any creditor believes that they have a Retention of Title over goods and they have not registered their interest on the PPSR, they should also contact this office immediately. Suppliers of consignment or sale or return stock should also contact this office immediately, if not already dealt with during the administration.

10. Further information

Should you have any information that you believe would lead to realisations for the benefit of creditors, please set it out in writing, attaching copies of all documentary evidence, and send it to the Liquidators. Please note that the Liquidators can only act on written information as telephone, or other, conversations will be regarded as hearsay by the Court.

11. Prospect of a dividend

As set out in the watershed report to creditors, currently we do not expect there to be any surplus funds to distribute to unsecured creditors.
