Qualifications & Memberships

- Registered Liquidator
- Member, ARITA
- Chartered Accountant
- Bachelor of Science (Honours) in Special Mathematics

Rob has over 20 years' of restructuring experience and is the Partner in charge of the McGrathNicol Perth office. Prior to joining McGrathNicol in 2004, Rob worked for an international advisory and restructuring firm in the UK.

Rob has a proven reputation for providing his clients with strategic and innovative solutions to challenging situations. He specialises in assisting businesses in the mid-market and is highly skilled at considering issues from the perspective of different stakeholders.

He has led teams in financial assignments such as restructuring, insolvency, business improvement and transactions. He has also conducted numerous business reviews, assisted companies with business improvement, strategic planning, working capital management and capital reorganisation.

High profile clients include Alita Resources Limited, Tiger Resources Limited, MZI Resources Limited, McAleese Group, Continental Coal Limited and Autodom Limited. His sector experience covers a broad range of industries, including property and construction, hospitality, mining and resources, transport and logistics, agribusiness, manufacturing and retail.

Engagement Experience

- Numerous business reviews and restructurings including performance improvement, strategic planning, working capital management and capital reorganisation.
- Due diligence and transaction services support.
- The restructuring and sale of Evans & Tate Limited (a listed Australian winery group with operations in Western Australia, New South Wales and Victoria) and MZI Resources Limited (a listed mineral sands producer).
- Receiver of the listed Autodom Limited (large Australian automotive component manufacturer).
- Voluntary Administrator and Deed Administrator of Tiger Resources Limited (copper producer) and Alita Resources Limited (listed lithium producer).
- Successful recapitalisation of Safety Medical Products Limited (an ASX listed company) as Voluntary Administrator and Deed Administrator.
- Provisional and official liquidator of Continental Coal Limited.
- Numerous formal insolvency engagements including McAleese Group (national transport business), AQA Oysters Limited (Australia's largest producer of Pacific Oysters), Crown Mushrooms (WA's largest independent mushroom farm), Chameleon Resources (logistics, storage and plant hire) and the successful trading and sale of Extrastaff Recruitment (labour hire) and Handy Hire (Australia's largest trailer rental business).
