Qualifications & Memberships

- Member, CA ANZ
- Bachelor of Economics, Sydney University

Board Roles

- Board Member and Chair of the Finance and Risk Committee, Transparency International

Siobhan is a Forensic expert with more than 20 years of experience specialising in dispute resolution, forensic investigations, regulatory response and labour force reviews.

Prior to joining McGrathNicol, Siobhan was a Partner at "Big 4" firms and brings a depth of experience in investigating allegations of misconduct, quantification of damages and presentation of evidence. Siobhan is regularly engaged as an expert accountant to opine on matters of quantification and provides expert evidence (written and oral) in forums such as Senate Inquiries, the Federal Court of Australia, the Supreme Court (across various states), Victorian Civil and Administrative Tribunal, and the Fair Work Commission. She has also assisted clients through mediation and other forms of alternative dispute resolution.

Siobhan advises Boards, Risk Officers and C-Suite executives regarding best practice for managing misconduct, litigious issues and risk mitigation. She has worked across a wide range of industry sectors including financial services, healthcare, government, property, retail and manufacturing.

Engagement Experience

General Dispute Resolution

- Loss of profits - expert witness services in relation to damages in a range of matters and industries including, retail, manufacturing, food, transport, financial services, medical equipment and property.
- Partnership disputes - engagements including the reconstruction of books and records, assessment of the substance of partnership arrangements and certain transactions to determine the most appropriate accounting treatment and settlement method between the partners. Professional negligence - dispute consulting advice regarding claims against accountants in relation to their conduct of service, fulfilment of professional obligations and whether adequate procedures were conducted
- Breach of fiduciary duty - dispute consulting advice pursuant to regulatory action taken against the directors and allegations of failure to recognise asset impairment.
- Taxation litigation - appointment as an expert accountant in relation to a matter between an ASX listed company and the ATO. This assignment involved the retrieval, reconstruction and analysis of the company's financial data.
- Franchise disputes - appointment of expert in relation to disputes between franchisees and franchisor.
- Expert assessment - appointment of joint expert in relation to costs dispute between parties to a construction contract.
- Expert forensic accountant - reconstruction of books and records across multiple industries such as private enterprises, property, retail and mining.

Siobhan Hennessy

Partner

- Class Action - independent expert appointed by lawyers for the class of applicants.

Financial investigations

- Misappropriation of funds/obtaining money by deception - across a range of industries, including: tourism, entertainment, professional services, pharmaceutical.
- Regulatory inquiry - assisting a client in responding to a regulatory inquiry into revenue recognition practices, over billing and professional conduct.
- Fraudulent scheme - investigation into an alleged fraudulent scheme involving the sale of shares. The investigation involved tracing of share transactions through over 40 overseas shelf companies.
- Investigation into loss of property involving theft of stock
- Professional misconduct - engagements involving the reconstruction of client accounts, review of trust accounts and analysis of the advice given by the professional in question for the accounting, finance and legal industries.

Wage reviews

- Assisted a clients across industries including security, cleaning, laundry, transport, healthcare, retail, fast food and service stations via the following:
 - Conducting an independent secretariat to investigate the circumstances that gave rise to the underpayment of employees.
 - Conducting an investigation into subcontracting arrangement, with a particular focus on the terms of labour engagement and adequacy of systems and controls regarding pay arrangements.
 - Advice on a regulatory framework to mitigate the risk of underpayment within the labour network (employees and subcontractors).
 - Utilisation of proprietary tools, quantifying back pay of employee entitlements
 - Provision of written and oral evidence.
 - Assisting in dealing with a regulatory review.
 - Conducting Better Off Overall Testing (BOOT) and provision of expert evidence.
